5. Declaration

I, the undersigned, do hereby declare that, while a member of the Royal Society of Chemistry, I will observe the provisions of the Charter and By-laws and any regulations made under them, and that I will conduct myself honourably in the practice of my profession and will further the interests and maintain the dignity and welfare of the RSC for as long as I shall continue to be a member. I certify that the information given on this form and in any attachments is correct to the best of my knowledge and belief and that I will abide by the decision of the Council of the RSC in pursuance of this application. I understand and agree that confirmation of information that I have provided will be sought and I hereby give permission for such information to be processed by RSC in accordance with the data protection act and that such verifications may be made as deemed necessary.

Data Protection Act 1998 - The Royal Society of Chemistry will use the information you supply for the provision and administration of its activities, products and services. Individual RSC members and prospective members have the right of access to the personal data held on them by the RSC and the right to prevent its use for direct marketing purposes. The RSC does not disclose members personal details to other organisations. It may, from time to time, execute mailings on behalf of suppliers of goods and services considered to be relevant to your professional/scientific interests. If you do not wish to receive such information, please tick the box.

Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer at the address below.

Please return completed form to: Membership Team Leader, RSC, Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF

6. Chartered Scientist

The RSC is licenced by the Science Council to register successful CChem candidates as Chartered Scientists (CSci). You will be given the opportunity to join the CSci register after being awarded CChem. If you would like further details of CSci, please tick the box.
