Use the Lecturecast system to schedule and manage lecture recordings of teaching events, add and share materials with participants via Moodle and monitor and gather information about your classes. The Lecturecast system is built around services provided by Echo360. The status of these services can be checked here. These Wiki pages contain important information about how the system operates at UCL including guidance on scheduling and accessing recordings.

News

- **Getting started with Lecturecast**
  We're excited to introduce the 'Getting Started with Lecturecast' training course on Moodle. This self-paced learning experience is designed to help you quickly become familiar with Lecturecast (Echo360). Additional details are provided below.

- **Extended Lecturecast Scheduling: Plan Ahead 4 Months in Advance for 2023/24 Timetable**
  With the latest update to Lecturecast Scheduler, you have the ability to schedule captures 4 months (120 days) in advance, as opposed to the previous 3 months limitation.

- **Changes to Automatic Zoom Recording Ingestion for Lecturecast (Echo360)**
  Starting August 4th, 2023, your Zoom recordings will be added to your Lecturecast (Echo360) library only if the user chooses to opt-in. Please refer to the link for more information.

Getting Started with Lecturecast

The 'Getting Started with Lecturecast' course offers a 3-step training guide designed for beginners, ensuring a rapid grasp of Lecturecast. Furthermore, advanced training is available to explore additional vital aspects of Lecturecast, empowering you to fully utilise its potential and enhance student learning. The course includes engaging activities to support your learning process. To embark on your Lecturecast (Echo360) journey, please enrol in the 'Getting Started with Lecturecast' course.

Good to Know
Lecturecast Scheduler
- Learning Lecturecast Scheduler Basics
- Create one or multiple schedules
- Edit or delete a schedule
- Non-Modular and Special Events

Using Lecturecast with Moodle
- Create a link on a Moodle course to a Lecturecast section
- Create a link on a Moodle course to an individual Lecturecast recording
- Remove a Lecturecast link on a Moodle course
- Change Lecturecast display settings
- Preparing for the new Academic Year - After Moodle Rollover
- Reuse recordings from previous academic years

Manage Lecturecast Contents
- Learning Lecturecast Basics
- Edit and make a capture available
- Transcripts and closed captions in Lecturecast (ASR)
- Sharing Lecturecast capture/recording
- Download Lecturecast capture
- Adding/Removing Class Content
- View Lecturecast capture and live stream content

Lecturecast Universal Capture Personal
- Accessing Universal Capture Personal Software
- Create a Universal Capture recording

Lecturecast Engagement Tools
- Overview
- Creating activity slides
- Embedding Polls into video
- Lecturecast analytics
- View polling data
- Student Tools
- FAQ

Zoom Recordings in Lecturecast

Blackboard Collaborate Recordings

More Information

Training
