A new UCL Moodle will be released for the upcoming 2018/19 academic year. Take a look at the Welcome to UCL’s new Moodle page to find out more.

The Digital Education team provide a range of UCL specific Moodle guides here. You can also browse the official Moodle guides at Moodle.org. New Features page lists all the latest functionality you can use with Moodle. If you are looking for information about other e-learning tools aside from Moodle and Turnitin please see the UCL E-Learning website.

Please also have a look at the E-learning Wiki for a whole range of more pedagogically focused e-learning articles.

Contact servicedesk@ucl.ac.uk if you can’t find what you are looking for.

Student E-Learning Help guides are also available.

Running an exam in Moodle? Please consult the M12a - Moodle Quiz for online exams guidance.
