Welcome Back to Term 2 - Happy New Year

Please keep a lookout on this page for updates on our Moodle platform and to access student/staff guides!

Release Roadmap

The Moodle Roadmap can now be found on our Wiki pages here: See link to Moodle Roadmap

What's new with Moodle?

We are continuously improving Moodle. To view the latest plugins and features, see the Moodle 3.7 - Summer 2019 Upgrade page.

This roadmap is intended to be a living document and will provide an active view into our internal roadmap, and will be updated on a weekly basis by the Moodle Service Owner.

The Digital Education team provide a range of UCL specific Moodle guides here. You can also browse the official Moodle guides at Moodle.org. The page 'Release Notes' lists all the latest functionality you can use with Moodle. If you are looking for information about other e-learning tools aside from Moodle and Turnitin please see the UCL E-Learning website.

Please also have a look at the E-learning Wiki for a whole range of more pedagogically focused e-learning articles.

Contact servicedesk@ucl.ac.uk if you can't find what you are looking for.

Student E-Learning Help guides are also available.

Running an exam in Moodle?

Please consult the M12a - Moodle Quiz for online exams guidance and make sure to notify digital education by completing the Exam Notification Form.
