

Create a Link on a Moodle course to a Lecturecast Recording

In addition to creating a link between your Moodle course and a Lecturecast section. It is also possible to create a link from the Moodle course to individual recordings within that section.

To do this, you will first need to ensure that you have:

- Created a link between the Moodle course and the corresponding Lecturecast Section
- Shared the recording from your Lecturecast Library to the Lecturecast Section

This short video will show you how to create a Link from Moodle to an individual Lecturecast recording:
