

1. AssessmentUCL Online Exams (2020-21)

Last year, all centrally managed online exams took place in Moodle. This year, these exams will be delivered using a very similar process, on a new digital platform called AssessmentUCL.

Technical guidance is provided below to assist you in completing your online exam. The guidance only relate to centrally managed and timetabled exams.

How the 24 hour online exams will work:

Please see the [2020-21 examinations guidance for students](#).

Technical Guidance available:
