

M31 - Publish a course

Keywords: *publish to a hub*

What is it?

Publishing a course is a method of sharing your course on a special Moodle site called a community hub. [Moodle.net](http://moodle.net) is an example of a community hub.

When you publish a course, you can choose whether to make it available

- for download (as a course backup file) OR
- to enrol in on your site

✘ UCL Moodle does not currently have publishing enabled.

Why use it?

- None at this time

Who can use it?

- None at this time

Before I start...
