

3Winter

Dng means 'winter':

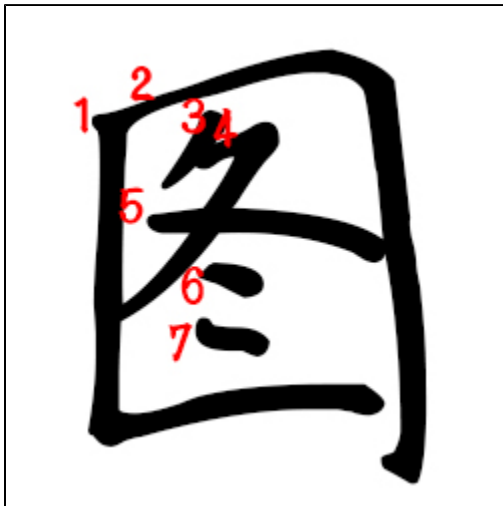

Common word: dngtin 'winter'

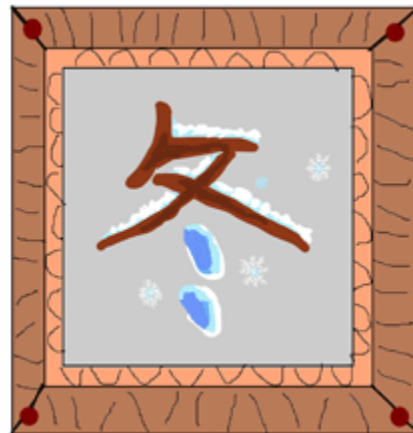

Here we have a wintery picture:

is tú 'picture':

The traditional character has something a little more complex than winter in the middle:
Common word: túshgun 'library'

is zhng 'end':

The element on the left means 'thread'. Winter is at the end of the year and threads have ends.
Common word: zhōngyú 'in the end'
