

# Online Assessments

The guidance links below cover the different methods of assessment that you may need to complete at UCL.

1. [AssessmentUCL exams \(2020-21\)](#) - online assessment platform that was used for 2021 centrally managed exams and is being piloted across UCL.
2. [Creating a Video](#) - Guidance on how to create a video, including a pre-recorded presentation for assessment.
3. [Video Assignment](#) - Guidance on how to submit a video for assessment
4. [Moodle Assignment](#) - These are alternative assessments taking place in the form of a coursework submission. You will submit as you would normally submit your coursework.
5. [Turnitin Assignment](#) - These are alternative assessments taking place in the form of a coursework submission. You will submit as you would normally submit your coursework.
6. [Presentation Exam](#) - These exam approaches will be used to carry out your presentations or Vivas in some cases. The guide explains how to use the different tools.
7. [Blogs and Portfolio Assessments](#) - These exams will require you to create blogs or portfolios using the tools Reflect or MyPortfolio
8. [Large File Submissions OneDrive \(Student\)](#) - Guidance on how to submit large files for submissions on Moodle
