

3Horse

M 'horse' occurs in many characters.

You can see the horse's main more clearly in the traditional character:

Ma is the question particle ma.

M is 'mother':

Common words including these characters

Mshàng looks as if it might mean 'on horse back' but actually means 'immediately'.

N shì Miguórén ma? 'Are you American?'

Mma mà m ma? 'Is mother scolding the horse?'

(Mǎ means 'scold'.)
