

# Lecturecast Enabled Teaching Spaces

A list of Lecturecast enabled teaching spaces is provided below.

## Key

**GREEN**

rooms do not contain a video camera to capture the presenter; nature of architecture/space prevents the installation of a ceiling mounted camera. Audio and presentation/projector content can be recorded.

**YELLOW**

rooms do not currently contain a video camera to capture the presenter. A suitable camera will be installed in due course.

**PLEASE NOTE:** The IALS Lecture Theatre (Institute of Advanced Legal Studies) is an external teaching space. Lecture recording is available but not via the Lecturecast system. If you have any queries, please contact the Meet & Greet team: [servicedesk@ucl.ac.uk](mailto:servicedesk@ucl.ac.uk)

**GREY**

rooms are currently experiencing technical difficulties or offline for repair, and so may not be able to record.

All rooms in CMIS with Lecturecast Flag Rooms. This list is under revision as A/V colleagues conduct room checks on the hardware. Please check back for updates.
